Live traffic information

08700 660 115*

www.highways.gov.uk

24 hours a day, 365 days a year

*Calls from BT landlines to 0845 numbers will cost no more than 4p per minute and to 0870 numbers no more than 8p per minute, mobile calls usually cost more.

Safety at roadworks

The Highways Agency is working with the industry and road users to reduce the risks of working on the roads.

For the safety of roadworkers and all road users, when you are approaching roadworks:

- Keep within the speed limit – it is there for your safety.
- Get into the correct lane in good time – don't keep switching.
- Concentrate on the road ahead, not the roadworks.
- Be alert for works traffic leaving or entering roadworks.
- Keep a safe distance – there could be queues in front.
- Observe all signs – they are there to help you.

An Executive Agency of the
Department for Transport

A14 Ellington to Fen Ditton

You are invited to attend an exhibition to view the detailed plans we have developed for the proposed A14 Ellington to Fen Ditton Improvement.

Following feedback from the earlier Public Consultations (March to June 2005 & December 2006 to March 2007), and Preferred Route Announcements (March & October 2007), we have been progressing the design of the scheme and carrying out an Environmental Impact Assessment. We would like to give you this opportunity to view our plans in more detail.

Our exhibition will enable you to see our proposals before the publication of draft Orders.

We plan to publish the Environmental Statement and draft Orders in Spring 2009. Depending upon the number and nature of any objections to the proposals, a Public Inquiry may then be held. This would be held before an independent inspector who will then make recommendations to the Secretary of State for Transport and the Secretary of State for Communities and Local Government. After consideration of any objections, representations, expressions of support and the inspector's report, the Secretaries of State will decide whether the Orders for the road should be made.
